## Picture dictionary of English

Prima A

I.C. Micheli – Bolognesi Livorno

# SHARED PROJECT

- The project consists in the creation of a Picture Dictionary of English, but also in other languages (those spoken in the participating countries). It will be a cooperative work that will be carried out by students of 1st grade.  
This project will also include interaction between different schools through postcards, creating wall information panels on ETwinning and other schools and countries, creating digital presentations and sharing information about countries (flag, photos, costumes, folk dances, costumes...).

# Paesi europei coinvolti

Spagna  
Slovenia  
Turchia  
Croazia  
Italia

**Travel friends**

# Creating together

- The teachers of every school will use different ways of communicating and design the final work according to the different ideas from the students.

# Terza fase: crossing the finish line together

**Creation of a pdf of the process of the Project in order to promote the eTwinning experience and inform the respective school communities of the task done.**
